

### OPA38. Monica and Luisa

#### Script

---

**Monica:** Luisa, tell me, how you **had** the accident.

**Luisa:** Well, I was turning left on Main Street **when** a car hit mine.

**Monica:** Oh my god! Were you paying attention **while** you were driving?

**Luisa:** Of course! I **wasn't** listening to music nor texting on the phone. That driver came out of nowhere!

**Monica:** Do you know what that driver was **doing** when he crashed?

**Luisa:** He said he **was** talking on the phone! He wasn't **driving** carefully!

**Monica:** Sure, he wasn't! And you **got** a broken arm!
